WEBEX Frequently Asked Questions

1. How do you join a meeting from an email invitation

Open your email invite and click Join or Join Meeting. If this is the first time you're joining a WebEx meeting, WebEx automatically downloads the app. Click the installer file to install the app. Enter your name and email address, and click Next. If you're asked for a meeting password, enter the meeting password - it's in your email invitation - and click Next. To use computer for audio (default), use your computer with a headset or speakers. By default, your microphone and camera are turned off. The video and microphone buttons are both red. To join with your video on, click Start video. To join with your microphone on, click Unmute. Click Join Meeting.

OR

From your email application, open the meeting invitation. Select the Meeting URL link to join the meeting. If prompted, sign in with your profile information. If required, enter the meeting password and click Join. Once you are placed in the web meeting room, you can join the audio portion of the meeting by:

– having the system call you at the number specified in the Audio Conference window. Then answer your phone and follow the audible prompts.

or

– by dialing the call-in number on the Meeting Info tab, and following the audible prompts.

2. How do you use control bars for the meeting operation

When you entered the meeting site, you will see several features down the screen as below.

The first two red buttons are for microphone and video, respectively. It is suggested that all participants mute themselves during the meeting except for when you are speaking.

3. How do you raise your hand in WebEx?

Click on the Raise Hand button which will place a small hand icon next to your name in the participant list. Click on the Lower Hand button to withdraw the request. If there are many raised hands, the moderator will call on participants in the order in which the requests were received.

4. How do I share my screen?

Select Share in the control bar on your screen. Select to share your screen or application from the list of open applications.

To start a whiteboard session, select Share, and New Whiteboard.

To stop screen sharing, select Stop Sharing on the floating bar at the top of the screen.
