They shall avoid all actions, statements or public activities which might potentially be detrimental to the Commission and its aims.
- 2.4 Staff members shall not be the subject of discrimination on the basis of age, race, color, creed, gender, sexual orientation, disability or national origin.

Authorization for the release of information for official purposes shall lie with the Commission or the Executive Secretary, as the case may require.
- 2.7 Staff members shall, in general, have no employment other than with the Commission. In special cases, staff members may accept other employment, provided that it does not interfere or represent a conflict of interest with their duties in the Commission, and that prior authorization by the Executive Secretary has been obtained. The Commission's prior authorization shall be obtained in respect of the Executive Secretary.
- 2.8 No staff member may be associated in the management of a business, industry or other enterprise, or have a financial interest therein if, as a result of the official position held in the Secretariat, he or she may benefit from such association or interest.

Such insurance cover shall include adequate provision for dependents. The Commission shall pay two-thirds of the total contribution to the retirement fund and of the insurance premiums, up to the maximum percentage applying in the United Nations Secretariat from time to time of the total of the staff member's salary. Such payment shall be by way of reimbursement upon the production of receipts or shall be paid direct together with the employee's contribution.
- 8.2 In the event of death of a staff member following illness or surgery not resulting from an accident covered by the appropriate insurance, the right to salary and other corresponding benefits shall cease on the day on which death occurs, unless the deceased:
- (a) leaves dependents, in which case these shall be entitled to mortality allowances and return travel and removal expenses to country of origin or former residence at the expense of the Commission, and/or

(b) has a defined termination period in the accommodation contract which extends beyond the date of mortality, whereupon the normal accommodation allowance for the staff member would continue to be paid by the Commission, for the rest of the defined termination period, but no longer than three (3) months at the maximum of 75% of the rent or JPY 240,000 whichever is less.

8.3 Eligibility of the dependents of a deceased staff member for the payment of return travel and removal expenses shall lapse if the travel is not undertaken within six months of the date of the staff member's death. The Executive Secretary may extend this period in the case of special circumstances: e.g., to allow a dependent child to finish a school term.

8.4 The above mortality allowance for death shall be calculated in accordance with the following scale:

Years of Service	Months of Net Base Pay Salary Following Death
Less than 3 years	3 months
3 years and more, but less than 7 years	4 months
7 years and more, but less than 9 years	5 months

REGULATION 9 TRAVEL

9.1 All official travel shall be authorized by the Executive Secretary in advance within the limits of the budget, and the itinerary and travelling conditions shall be those best suited for maximum effectiveness in the fulfillment of duties assigned.

9.2 With regard to official travel, a travel allowance, generally consistent with United Nations practice, may be paid in advance for fares and daily living expenses. However, charges for hotel accommodations shall be paid based on charges actually incurred.

9.3 Official travel should be planned well in advance to avoid incurring higher costs for airfares and other travel related cost.

9.4 Whenever feasible, economy class travel shall be used for all travel.

9.5 Following completion of a duty journey, staff members shall repay any travel allowances to which, in the event, they were not entitled. Where staff members have incurred expenses above and beyond those for which travel allowances have been paid, they shall be reimbursed, against receipts and vouchers, as long as such expenses were necessarily incurred in pursuit of their official duties.

9.6 On taking up an appointment in the Professional Category staff members shall be eligible for:

9.7 Staff members who, in the course of their duty, are required to use private motor vehicles for official travel purposes shall, with the prior authorization of the Executive Secretary, be entitled to receive a reimbursement of the costs involved in line with that available to members of the Government Service in Japan. The costs associated with normal daily travel to and from place of work shall not be reimbursed.

REGULATION 10 SEPARATION FROM SERVICE

10.1 Staff members may resign at any time upon giving three months' notice or such lesser period as may be approved by the Executive Secretary or the Commission, as the case may require.

10.2 The Executive Secretary may terminate the appointment of a staff member by giving three (3) months written notice, when that termination is due to restructuring of the Commission or of any of its constituent bodies, or if the Commission would decide to cease its functions. If at any time the Executive Secretary considers that a staff member does not give satisfactory service or fails to comply with the duties and obligations set out in these Rules, the staff member will receive a formal written warning. If the performance does not improve or the employee continues to fail to comply with the duties and obligations set out in the rules, the staff member will receive a second formal written warning and if necessary, other disciplinary action (e.g. suspension, demotion) may follow. If after the second formal written warning the staff member's performance does not improve to a satisfactory standard, the appointment of the staff member may be terminated upon written notice of one (1) month in advance subject to the prior notification of the Chair of the Commission.

10.3 In the event of involuntary separation from service with the Secretariat, staff members shall be compensated at a rate of two weeks base pay for each year of service, beginning the second year, unless the cause of termination has been gross dereliction of duties imposed in Regulation 2.

10.4 On separation from service, a staff member shall, subject to Regulation 10.5 below, be entitled to the following:

- (a) payment of economy class air fares (or equivalent) to the staff member's country of origin or former residence, for the staff member and dependent members of his or her family;
- (b) payment of removal costs, including the shipment of personal effects and household goods from place of residence in Japan to the country of origin or former residence, subject to a maximum volume of 30 cubic meters or one international shipping container;
- (c) a repatriation allowance generally consistent with United Nations' practice.

10.5 At the discretion of the Executive Secretary, the right to the repatriation expenses provided for in Regulation 10.4 may be cancelled or reduced appropriately if:

- (a) the staff member fails to provide the three months advance notice as specified in paragraph 10.1;
- (b) less than one year has elapsed between the date of taking up the appointment and the date of separation from service;
- (c) the reason for separation from service was termination of employment due to gross dereliction of duty;
- (d) more than six months has elapsed between the staff member's separation from service and his or her return to his or her country of origin or former residence;
- (e) less than six months has elapsed since the staff member last visited his or her country of origin or former residence on home leave at the expense of the Commission; or
- (f) the staff member has applied for or received status as a permanent resident of Japan.

10.6 In the case of serious misconduct by a staff member that threatens the Commission's operations or the reputation of the Commission or its members (for example, a criminal offense such as theft, intentional breach of confidentiality etc.), appointment of the staff member may be terminated without prior warning.

REGULATION 11 TEMPORARY PERSONNEL UNDER CONTRACT

11.1 The Executive Secretary may contract temporary personnel necessary to discharge special duties in the service of the Commission. Such personnel shall be classified as additional help and may be paid on an hourly basis.

11.2 Persons in this category may include translators, interpreters, typists, and other persons contracted for meetings, as well as those whom the Executive Secretary contracts for a specific task. Whenever possible, persons resident in Japan shall be utilized in such cases.

REGULATION 12 APPLICATION AND AMENDMENT OF REGULATIONS

12.1 Any doubts or disputes arising from application or interpretation of these Regulations shall be resolved by the Executive Secretary in consultation with the members of the Commission.

12.2 Situations involving the Executive Secretary shall be resolved by the Chair in consultation with members of the Commission.

12.3 Matters not foreseen in these Staff Regulations that materially affect the operation of the Secretariat or the working conditions of the staff shall be brought to the attention of the Commission by the Executive Secretary.

12.4 Subject to the provisions of the Convention, these Regulations may be amended by the Commission in accordance with its Rules of Procedure.

**NORTH PACIFIC FISHERIES COMMISSION
GRIEVANCE PROCEDURE**

NORTH PACIFIC FISHERIES COMMISSION

GRIEVANCE PROCEDURE

The NPFC Staff Regulations, Regulation 2.10, provides a procedure for grievances. This section defines the procedures regarding the implementation of Regulation 2.10. The rule reads as follows:

REGULATION 2.10

The Commission shall sit as a body to hear grievances from staff members regarding human resource related matters, where other less formal attempts at resolution have not met with success. For staff members' grievances, the Commission may instruct the Executive Secretary to undertake other actions where the Commission deems that a grievance hearing is not appropriate. The Commission's decision is final and not subject to appeal.

PROTECTIONS

Staff members and the Executive Secretary, hereinafter referred to as “staff members,” have the right to use and/or participate in this procedure free from threats or acts of retaliation, discrimination or reprisal.

POLICY

The prevailing policy is that employee grievances will be resolved promptly and at the lowest possible level. Observance of this policy will enhance productivity and promote the well-being of the work force. Staff members will make best efforts to achieve informal settlement of grievances.

GRIEVABLE ISSUES

The following issues are examples of matters that are eligible for this process. This list is not exhaustive:

- Dismissal or suspension without pay;
- Staffing actions;
- Allegation of discrimination; and/or
- Allegation of harassment.

TIMELINES AND PROCESS

Prior to invoking Regulation 2.10 of the NPFC Staff Regulations, the staff member must follow the steps below:

1. Specific staffing and human resource-related grievances must be presented within 15 days of the date of that act of occurrence or the date the employee first became aware of it. Grievances related to alleged discrimination and harassment should be brought forward as soon as possible.
2. A staff member must first present a grievance in writing to the Executive Secretary.

3. Any grievances emanating from the Executive Secretary would be provided in writing to the Commission (see steps 6-8 below).
4. The Executive Secretary will give full consideration to the issue(s) and the remedy requested and conduct such inquiry as warranted by the circumstances. The Executive Secretary will make a substantive effort to resolve the problem informally and will provide the staff member a written answer within 15 days of receipt of the grievance.
5. If the grievance is not resolved to the satisfaction of the grievant by the Executive Secretary, the grievant may submit the grievance in writing to the Chair, who in consultation with the Vice Chair, has the authority to resolve it. The Chair will provide a written response to the grievant within 15 days of receipt of the grievance.
6. If the grievance is not resolved to the satisfaction of the grievant by the Chair, the grievant may submit the grievance in writing to the Heads of Delegation, who have the authority to resolve it.
7. For submission to the Heads of Delegation, the grievance will be sent by the Chair and must:
 - (a) be in writing;
 - (b) contain sufficient detail to identify and clarify the basis for the grievance;
 - (c) if appropriate, specify the remedy requested by the grievant;
 - (d) include a copy of the Executive Secretary and Chair's reply; and,
 - (e) be filed, in writing, within 15 days of receipt of the Chair's decision.
8. The Heads of Delegation should decide upon a process to be used to consider the grievance (for additional detail regarding a process to be used, see Annex A). In the case where the grievant, the Executive Secretary or others are asked to participate in the hearing, reasonable notice should be provided. Parties to the grievance may be accompanied by their legal counsel in any hearing.
9. The Commission will render its decision within 90 days after receiving the grievance from the Chair and it will constitute a final decision on the grievance. Actions of the Commission are not subject to appeal. In the event that further actions are deemed necessary to resolve the grievance, the Commission will instruct the Executive Secretary to undertake those actions.
10. In the case of termination of employment, the grievant should present the grievance to the Chair, who in consultation with the Vice Chair will provide a ruling within 30 days. The Chair's decision will be considered final unless the grievant is not satisfied with the ruling, in which case the grievance will be sent to Heads of Delegation, who will have 60 days to render a decision.
11. A grievance will be cancelled:
 - At the employee's written request;
 - When the grievant's employment terminates unless the remedy sought can be granted after termination of his/her employment;
 - For failure to follow the grievance procedure and/or requests from the Commission (e.g. to discuss the grievance in person).

When a grievance is cancelled, all parties must be notified promptly and in writing and given the reason(s) for the cancellation.

ANNEX A

CONSIDERATION OF GRIEVANCES BY THE COMMISSION

Collection of Relevant Background Information

The Commission should have access to and read all the relevant background documents including, but not limited to the following:

- Contract of the staff member that specifies terms of employment and review, in particular, clauses relevant to termination;
- Staff regulations with regard to termination and performance management clauses;
- Labor laws of relevance;
- If relevant, legal advice already provided regarding this grievance;
- Performance Management related documents such as performance reviews, any written warnings or reports of discussions related to performance etc.;
- Formal grievance documents; and
- A clear understanding of the remedy sought and any alternatives to that remedy.

A process should be decided upon and agreed to by the Commission for addressing the grievance. This should be done on a case by case basis. Four options are presented for consideration only based on generally accepted practices for management of grievances. There is nothing that would bind the Commission to using one of these options. Options should consider cost effectiveness including use of teleconferences and/or video conferences as practicable.

1. Schedule a grievance hearing with the staff member (with or without his or her legal counsel) followed by a hearing with the Executive Secretary (with or without his or her legal counsel) after which the Heads of Delegation should render a decision;
2. Hire an independent reviewer or mediator to meet with the staff member and Executive Secretary and provide their impartial advice to Heads of Delegation who can render a decision or consider this information in conjunction with information gleaned from interviews of the staff member and the manager;
3. Engage an HR specialist (with experience in labor relations) to review the file, interview the employee and Executive Secretary and provide their impartial advice to Heads of Delegation who can render a decision or consider this information in conjunction with information gleaned from interviews of the staff member and Executive Secretary; and
4. Deliberate on this issue without additional input from the grievant or Executive Secretary or others, relying on written information and submissions.

The Commission should deliberate privately (“in-camera”) to ensure that neither the staff member nor Executive Secretary is present to avoid perceptions of bias and promote discussion of the matter. Consensus is desirable.

- 2.2 The quorum shall not include the members currently subject to the provisions of Article 12 subparagraph 5 of the Convention.
- 2.3 Votes shall be taken by show of hands, roll call or, in accordance with Rule 2.5, a confidential vote.
- 2.4 A vote by roll call shall be taken upon request of a member of the Commission. Voting by roll call shall be conducted by calling in English alphabetical order the names of all members of the Commission entitled to vote. The name of the first member to be called shall be designated by lot drawn by the Chairperson. Each member shall reply "yes", "no" or "abstain".
- 2.5 If the election of the Chairperson or the vice-Chairperson is not decided by consensus, the decision shall be taken by confidential vote unless otherwise decided by the Commission. A decision to conduct a confidential vote for any other matter shall be made in accordance with Article 8 of the Convention.

- 2.6 The appointment of the Executive Secretary shall be approved by consensus of the Contracting Parties in accordance with Article 5.9 of the Convention.

Intersessional Decisions

- 2.7 When necessary, to the extent permitted by the Convention a matter may be decided during the period between meetings electronically (e.g. email, secure website) or by other means of communication. Normally, such means of taking decisions shall be applied to matters of procedure. However, in exceptional circumstances, where an urgent decision is necessary, such means of taking a decision may be applied to matters of substance.
- 2.8 When it is necessary to decide any matter during the period between meetings, the Chairperson, on his or her initiative, or at the request of a member that has made a proposal, may move adoption without delay of such proposal by intersessional decision. The Chairperson, in consultation with the vice-Chairperson, shall decide on the necessity of considering the proposal intersessionally as soon as possible.
- 2.9 In any case in which the Chairperson determines that it is not necessary to consider a proposal by a member intersessionally, the Chairperson shall promptly so inform that member of such determination and the reasons therefore. Within seven (7) days of the date of such notification, the affected member may request an intersessional decision on the Chairperson's determination, to be subject to the majority decision rule for questions of procedure set forth in the Article 8, paragraph 2(a), of the Convention.
- 2.10 In cases in which the Chairperson has concurred on the necessity of considering a proposal moved by a member intersessionally, the Chairperson shall determine whether the proposal requires consensus for adoption as per the Convention or whether it may be adopted by vote and, in case of the latter, whether the proposal raises a matter of procedure or a matter of substance. The Executive Secretary shall promptly transmit to members:
- (a) the proposal, including any explanatory note;
 - (b) the determination made by the Chairperson under this paragraph, and;
 - (c) a request for an intersessional decision.

The Executive Secretary shall request that responses be returned within thirty (30) calendar days.

- 2.11 Members shall promptly acknowledge receipt of any request for an intersessional decision. If no acknowledgment is received within seven (7) calendar days of the date of transmittal, the Executive Secretary shall retransmit the request and shall use all additional means available to ensure that the request has been received. For the purpose of establishing a quorum in conformity with Article 8, paragraph 4, of the Convention, confirmation by the Executive Secretary that the transmittal has been received shall be deemed conclusive regarding the participation of the member in the decision-making process.
- 2.12 Members shall respond within thirty (30) calendar days of the date of original transmittal of a proposal if they do not support adoption of the proposal (in the case of a decision to be made by consensus), or (in the case of a proposal to be decided by voting) indicating whether they cast an affirmative vote, cast a negative vote, or abstain from voting. If a member of the Commission requests additional time for consideration, a further fifteen (15) days shall be allowed from the expiration of the initial thirty (30) day period. No additional extensions of time beyond one

fifteen (15) day extension shall be permitted. In the event of such an extension, the Executive Secretary shall inform all members of the final date by which responses must be received. If no reply from a member is received within thirty (30) calendar days of original transmittal, or by the extended deadline, that member shall be recorded as having no objection (in the case of a decision to be made by consensus) or abstained (in the case of a proposal to be decided by voting).

- 2.13 The result of a decision taken intersessionally shall be ascertained by the Executive Secretary by the end of the decision period and promptly announced to all members. If any explanations of views are received, these shall also be transmitted to all members. Subject to Article 9, paragraph 1(b), of the Convention, if the proposal is adopted, it shall become effective ninety (90) calendar days after the date of transmittal specified in the Chairperson's notification of the adoption of the decision by the Commission, unless otherwise specified in the decision.
- 2.14 Objection procedures in Article 9 of the Convention shall apply to intersessional decisions.
- 2.15 No proposal transmitted by the Executive Secretary for an intersessional decision shall be subject to amendment during the decision period. Members shall strive to achieve consensus on all proposals submitted for intersessional decisions through timely communication between proponents and any opponents during the 45-day decision period.
- 2.16 A proposal that has been rejected by intersessional decision shall not be reconsidered until the following meeting of the Commission.
- 2.17 Unless otherwise decided by consensus of the Commission, matters to be decided intersessionally under this rule shall not include those in Article 7, paragraph 1 (f), except for the transfer of the allocation of fishing opportunities among members; Article 7 paragraph 1(g); or Article 12, paragraphs 2 and 3.
